Student Testimonials

"My journey with GMU has been a true blessing by bringing me closer to my own Hindu dharma. The conversations I've had with my instructors, along with the rich learning that I gained from my doctoral theology program, have given me deep insight and new perspectives on my connection with God, other faiths, and the world around me. I am grateful for this opportunity, and I hope to give back to GMU and the growing interfaith community as well." Tanmay Dave

"GMU has affordable admission/registration fees for all courses and flexible monthly installments spread throughout the course duration, digital reference materials, and course study books available online. Well-networked, I was connected to the Federation of Christian Ministries (FCM) for prayer gatherings and eventually Ordination as a Prison Minister upon

completion of the *D.Min. program.*" Esther Nditi

President Grudzen will conduct an in-depth interview with Esther and Tanmay on November 15. Look for the video to be broadcast on **GMU's YouTube channel.**
